Minor Trust Deduction Guidelines – California

Trust Deductions for Minors Are No Longer Optional
Under California Family Code Section 6750-6753, all unemancipated minors that are residents of California no matter where they work, and any minor that works in California no matter where they are residents must have 15% of their gross earnings deducted and placed in approved trust accounts. Entertainment Partners (EP) requires that certain information be provided to deposit money into the minor’s trust account. In order for EP to make the necessary deposit, the attached form must be completed and returned to EP. Please note, however, that no authorization is actually needed to deduct the statutory 15%. EP will automatically deduct 15% of gross earnings from each minor’s check.

New Coogan Law Information California Family Code Section 6753
It is solely the responsibility of the parent and/or guardian to establish the blocked trust account for their minor child. When EP deducts the 15% required by law and no trust account has been set up, EP will deposit those monies into a non-interest bearing account. If a trust account is subsequently set up, then EP will deposit all monies for that minor into that Blocked Trust Account. If no trust account is ever set up, EP will keep the funds in its non-interest bearing account for up to 180 days. California Family Code Section 6753 requires that these funds be turned over to “The Actor’s Fund of America” as trustee. Also, if EP is not aware that the employee is a minor and payments are processed without deducting the 15%, as soon as EP is notified of minor status, past deductions due will be recouped from current payments if possible. If not possible, then EP will look to the production company to pay the full deduction amount into the minor’s trust account.

What Parents Need to Know
- Earnings are considered the separate property of the child and cannot be accessed until the child reaches 18 or becomes emancipated.
- The parent/guardian must provide a certified copy of the child’s birth certificate to EP indicating that the child is a minor.
- The parent/guardian must obtain a Minor’s Work Permit. A copy of this permit must be submitted to EP.
- Even though the Coogan Law requires the parent/guardian to set up this trust account within seven (7) business days after the minor’s contract is signed by the minor and employer; EP requests that the blocked account be set up prior to the minor actually performing the contracted work.
- The parent/guardian must set up such blocked trust account at a California bank, savings and loan or credit union and the account must be insured by the Federal Deposit Insurance Corporation (FDIC), the Securities Investor Protection Corporation (SIPC), or the National Credit Union Share Insurance Fund (NCUSIF).
- In the event that a trust account is not established within 180 days after the commencement of employment, EP is required to forward the amounts withheld to The Actor’s Fund of America. EP has no further duty or obligation with respect to the earnings upon the state treasurer transfer.
- The parent/guardian must submit along with the attached form, a true and accurate photocopy of any information received from the financial institution confirming the creation of the account, such as the account agreement, passbook or a similar writing.
- If any changes are made to the trust account, including changing the financial institution or account number, the parent/guardian must immediately notify EP in writing of such changes.

**Court Approved Minor Contracts**

A parent and/or guardian may no longer choose to have more than 15% deducted from their minor child’s earnings. The statutory maximum limit is 15%. To insure that the blocked account is in compliance, the court will specify that a copy of the court order be submitted to the bank. If the court order is not available at the time of the initial deposit, the payment of funds will not be delayed. EP will send the court order to the financial institution upon receipt from the client.

**Other than California Minors**

If the minor child is not a resident of California or working in California, then the parent/guardian may, on a voluntary basis only, elect to have a percentage of the minor child’s gross earnings withheld and placed into a Blocked Trust Account in accordance with either a Court Order or by completing one of the attached forms authorizing EP to withhold the specific amount desired. (For minors working in New York, see separate instructions.)

**General Information**

Once money has been deposited into a blocked account, it cannot be withdrawn without a court order. Please be sure to let us know immediately of any check that has a trust deduction, which is wrong or void. If an error is found subsequent to the deposit, we will cancel the original check and bill you for the deducted amount. Your company is a party to the contract and is therefore responsible for arranging with the bank for reimbursement.

Trust Fund Deduction Information

I hereby acknowledge that under the California Family Code 6750-6753, Entertainment Partners and its subsidiaries will withhold a sum equal to the mandatory 15% of the gross earnings of my minor child whose name appears below. This acknowledgment will remain in effect only in connection with his/her services on the project presently entitled:

____________________________________________________________________________________

Said deductions should commence effective as of the minor’s date of hire and shall continue until completion of all services on the above referenced project. EP agrees to deposit all sums to the established California Coogan Trust Account within fifteen days of payroll check date. I am aware that funds cannot be deposited until EP receives the bank information. Further, I fully understand that if bank information is not received within 180 days of employment, all sums withheld will be sent to “The Actors’ Fund of America” as trustee of those funds and that EP shall have no further obligation or duty to monitor or account for those funds. No interest will be accrued or paid while these sums are being held pending the setup of the trust account.

I am aware that in accordance with California state law, EP does not need my authorization to deduct the 15% from my minor child’s gross earnings. I am also aware that it is my responsibility to have the proper trust fund account set up prior to the employment of my minor child. I understand that if I do not have the proper documentation for my minor child’s earnings to be placed in a Blocked Trust Account, EP will still deduct the 15% and place it in a non-interest bearing account until the documentation is received. If bank information is not provided within 180 days, I understand that sums withheld will be remitted to “The Actors’ Fund of America” as trustee.

In accordance with the attached trust fund documents, please arrange for deposit of these deductions to the following account:
